MANITOBA TO PAY BONDS. \$6,548,000 Issue Matures in New York February 1.

Special Despatch to THE STN.
WINNIPEG, Man., Jan. 4.—The Manitoba government has completed arrange-ments to pay bonds to the amount of \$6,548,000 which mature in New York on February 1. The Merchants Bank of Canada took the bonds of the province at a price of \$102.81. These were five year 5 per cent securities and it is ex-plained that the money was to be de-

livered in Canada.

The explanation of this low rate is that the transaction is in fact wholly one for the United States. No money would actually be delivered in Canada at the present time at this rats. The money will be delivered in New York and the actual sum to be realized by the province will be \$192.51, less the rate of

The exchange rate in this case is said to have been fixed at \$5, so that the actual sum which is to be provided in New York is \$24.81.

CARDINAL GIBBONS GIVES RECEPTION

Special Despatch to Tun Suy. BALTIMORD, Jan. 4.—Following his time honored custom, Cardinal Gibbons to-day gave a New Year reception to his parishioners and friends in the red room of his residence. The reception followed a solemn high mass at the enthedral at which the Cardinal pontifi-

Almost 1,000 persons of many faiths pressed forward to kiss his ring, but although the previous ceremony was almost two hours in duration the aged prelate had a cheery word for every one.

Thousands packed the large cathedral here to hear the prelate.

The membership voted on nine proposals, registering 1,285 to 235 for the sale of all wooden vessels and of all steel vessels under 6,000 tons dead weight on the best terms obtainable from American or foreign bidders; 1,200½ to 244½ for the sale of other Government owned vessels to regional associations
